

## **In Kind Donations:**

While all donations are welcomed, the gift of items that Friendship House would otherwise have to purchase are especially appreciated. Friendship House currently spends about \$2,000 a month purchasing supplies for its various ministries. Were it not for in-kind donations, this cost would be even higher. Several churches and organizations hold monthly collections of donated items for a special ministry. Others sponsor annual drives that target a certain item, e.g. a paper drive or a coffee drive. A typical monthly supply list for each program includes:
